

Yes - The TAS AVA Centenary  
Conference is happening!  
6 - 7 November | Launceston

Extended  
Early Bird  
registration closes  
24 October!

**It's time - we all want and need to get together with our colleagues face-to-face. It's been too long since we got together as a profession.**

**Join us for a great CPD and social face-to-face event as part of the AVA Centenary Conference Series.**

In addition to very practical scientific program focused on emergency and critical care for small animals, exotics and equine, we have planned a wonderful social program, Centenary plenary and CPR workshop for vets and nurses.

**Our scientific program will have 2 concurrent streams of world class speakers on topics including:**

- **Stream 1:** Diagnosis and treatment of shock, avian and reptile emergencies, anaesthesia of the toxic patient, snake envenomation diagnosis and treatment, and the latest in wound management
- **Stream 2:** Emergency fluid therapy, Snake bite for nurses, wildlife and equines emergency triage, and analgesia and anaesthesia in emergency patients

**Friday evening, join us and test your knowledge at the Provet trivia night\*.**

**Saturday come raise a glass to the profession at a special Centenary Roaring 20's Dinner sponsored by Cenvet at the Launceston Country Club.**

## Find out more and register

Full conference registrations	\$385**
Day registration	\$230**

\*\*indicates member prices

**Please note that all registrations will close on Wednesday 4 October due to COVID restrictions and onsite booking will not be available.**

**Conferencing and COVID** - In the highly unlikely event that we must cancel the event due to Government regulations and health directives preventing us from going ahead, we will issue you with a full refund of your registration.

In the event that Government regulations and health directives prevent you from attending due to a lock down here, or border closures just prior to, or during conference week, again we will issue you with a full refund of your registration. Latest announcements will also be made available via the AVA website.
