## About the Australian Veterinary Association

The AVA is the peak national body representing the Australian veterinary profession, delivering a range of services and benefits to over 7,500 members.

For 100 years, we've represented Australian veterinarians nationwide. Providing our members with access to continuing professional development (CPD) of the highest calibre on the latest scientific thinking is a key focus of the AVA.

Our CPD program planning begins up to two years in advance to ensure it includes veterinary science and business training that is interesting, relevant and accessible, so that we maintain a highly skilled veterinary workforce. Looking ahead we will embrace new technologies to proactively assist our members with more flexible and appropriate learning outcomes.

## Location

Sydney is situated on one of the world's greatest harbours, framed by that striking bridge and home to the architectural masterpiece that is the Sydney Opera House and the huge green swathe of the Royal Botanic Garden, smack-dab in the middle of the city. Incredible food (a lot of it with equally incredible views). Great galleries and museums. Fabulous shopping. Heritage precincts where Sydney's famous sandstone stars.

Situated in the heart of Sydney's bustling Darling Harbour precinct, the International Convention Centre (ICC) is a world-class venue, offering a picturesque setting for networking and collaboration.

The emerging financial, dining and retail precinct of Barangaroo is nearby; there are numerous galleries, theatres and concert halls within easy reach; and the bustling city centre is only a short walk away.

Sustainability is at the core of ICC Sydney's business practices, alongside business operations and risk. Their Corporate Social Responsibility (CSR) program adopts a triple bottom line approach, considering the ways in which they can foster community engagement, environmental sustainability and economic development.

Sydney, our conference venue, is a city that delivers on all fronts. It's easily accessible, with a wide range of transport options. Accommodation is a breeze, with options to suit every budget. AVA will have specially negotiated accommodation rates through Ozaccom+

And when it comes to attractions, Sydney's iconic landmarks like the Sydney Opera House, Sydney Harbour Bridge, and stunning beaches are sure to enhance your conference experience.

### Working towards a sustainable conference

We are no longer offering conference satchels or accepting paper satchel inserts from our conference sponsors and exhibitors. We understand that our conference sponsors and exhibitors may wish to gift delegates instead. Although we don't want to discourage companies from including their corporate promotional items, we do encourage that they consider providing an item with is either sustainable and/or biodegradable.
